Fall Edition 09

From the Director:

Welcome to the beginning of our 2009-2010 school year. We appreciate your patience with some of our bus issues. Luann, our Administrative Assistant has been working diligently with the bus companies to ensure a safe transition. Thank you for your cooperation with the name tags and the book bag tags. We are very serious about keeping our children safe.

*Reminder: We do offer Before and After Care from 7:30am - 9:00am and 2:00pm - 4:30pm for a minimal fee. Please call Shannon for details. 836-7556.

THANK YOU, Teresa Doermer, Director

Special Events:

We will continue to provide Creative Kinnections (a dance and movement group) for our children on Friday Mornings starting September 18th. We really enjoy Colleen and Lori as they have a great time interacting with our kids!

Open House on Friday, October 30th. This is an opportunity to meet your child's teacher and the other support staff as well as a chance to meet the other parents in the class.

SCHEDULE: 9:00 am - 11:30 am

We have set aside this day for you to stop in at any time during these hours and stay with your child in his/her class. You will participate in classroom activities and accompany your child to therapy if it is scheduled during this time. Refreshments will be provided upstairs in Room 207.

Trip to the BECKER FARMS, October 21st. We will be attending Becker Farms on Wednesday, October 21st with the Temple PALS children. Because of the amount of children and teachers that will be attending, we ask that no siblings attend this event. You are welcome to meet us at the Farm, but the seating for the hayride will be limited to the children and one adult (either parent or staff member). A flyer will be sent home with more details.

October 27th and 28th - Picture Day. Every year we have a professional photographer, come to take a school picture of your child. Purchasing these pictures is optional. We will also have class pictures taken. A flyer will be sent home with more details.

Swine Flu Information: The Olmsted Center is making every effort to inform parents and staff about the increasing concern of Swine Flu (H1N1). We are also taking every precaution to ensure the safety of our students and staff. Please see the attached information. If you have any questions or concerns, please contact our school nurse, Shannon at 836-7556.
